Maxiglide SPEED COATING for Canoes and Kayaks

\$17.95

Olympic proven speed coating for small craft, including canoes, kayaks, sailboats, ROWING HULLS, inflatables.

Reduces drag, increases speed efficiency from 2 to 5%.

Reduces wear when applied to bottoms of inflatables.

Apply before each race event. USED BY TOP COLLEGIATE ROWING TEAMS.

Easy rub on application. 8 oz bottle... enough for 3 or 4 canoes.
